

ALASA Academy

2010 Programs Schedule

Children's Summer Workshops

The Children's Summer Workshops offer truly unique week-long programming and extraordinary learning experiences for children ages six through sixteen (1st through 12th grades). The Workshops are conducted by caring certified educational professionals, and provide a positive learning experience children will long remember. Nature, hiking and camping experiences, exploring animals, science, math, journaling and personal wellness topics are carefully integrated with interpersonal and relationship building skills in a safe, interactive natural environment.

Session	Dates	Ages
I	July 5-9	5 - 10
II	July 12-16	10 -16
III	July 26-30	6 - 16

Note:

- Workshops run from 8:00 AM to 3:00 PM daily; early drop-off and late pick-up are offered as needed
- ALASA accepts children ages 5 – 16; ages are somewhat flexible by workshop

Customized Workshops

Customized Workshops are available during the months of **May through October**. They are conducted in conjunction with Wayne County, NY public and private school programs, home-schooled children's groups, businesses, organizations and individuals. They use the same sites and many of the same activities as the week-long Children's Summer Workshops.

Customized Workshops are scheduled one-two months in advance. Length of time involved, dates, ages and number of participants are dependent on specific client requirements.

Please contact us for additional information.

Fall Family Camping Weekend

Scheduled for **September 17 – 19**, the Fall Family Camping Weekend provides an opportunity for adults and children alike to spend relaxing quality time with family and friends enjoying nature and the surrounding environment. The program is a perfect way to get a small taste of the Summer Workshop program contents. There is time to explore the wooded areas, local streams, interact with farm animals and hiking. There is also group interaction at the chuck wagon dinner, bonfire and karaoke. Overnight campsites are available for the personal challenge and experience of rustic camping in the outdoors. For an extra cost, you can include apple picking and an evening haunted orchard walk.
