

ALASA Academy

Where Kids Create and Explore!

7th Annual Children's Summer Day Camps

Our Day Camps offer truly unique learning experiences for children ages 6–16. Conducted by caring, certified educational professionals & certified by the State of New York, our sessions provide positive learning experiences children will long remember.

Everyone finds a favorite “thing” to enjoy: Hiking and camping, kayaking, fishing, trailblazing, shore exploration, crafts and animals in nature are carefully integrated with science, math, journaling, personal wellness topics, interpersonal and relationship building skills. Our Day Camps are conducted in a safe, interactive, natural environment at Beechwood State Park in Sodus, NY.
